 One man come in the name of love
G                    Emi
 One man come and go
A                       D
 One man come here to justify
G                  Emi
 One man to overthrow

R: In the name of love
         G                      Emi
   What more in the name of love

One man crawled on a barbed wire fence
One man he resist
One man washed on an empty beach
One man betrayed with a kiss

but they could not take your pride
