```
Some days are dry, some days are leaky
Some days come clean, other days are sneaky
Some days take less, but most days take more
Some slip through your fingers and onto the floor
Some days you're quick, but most days you're speedy
```

Some days you be quick, but most days you be speedy
Some days you use more force than is necessary
Some days just drop in on us
Some days are better than others

Some days it all adds up And what you got is not enough Some days are better than others

Some days are slippy, other days sloppy Some days you can't stand the sight of a puppy Your skin is white but you think you're a brother Some days are better than others

Some days you wake up with her complaining Some sunny days you wish it was raining Some days are sulky, some days have a grin And some days have bouncers and won't let you in

Some days you hear a voice Taking you to another place Some days are better than others

Some days are honest, some days are not Some days you're thankful for what you've got Some days you wake up in the army And some days it's the enemy

Some days are work, most days you're lazy Some days you feel like a bit of a baby Lookin' for Jesus and His mother Some days are better than others

Some days you feel ahead You're making sense of what she said Some days are better than others

Some days you hear a voice Taking you to another place Some days are better than others
