

# Stand Up Comedy

U2

Love love love love love...  
Love love love love love...

I got stand up and take a step  
You and I have been asleep for hours  
I got to stand up  
The wire is stretched in between our two towers  
Stand up in this dizzy world  
Where a lovesick eye can steal the view  
I'm gonna fall down if I can't stand up  
For your love

Love love love love love...

Stand up, this is comedy  
The DNA lottery may have left you smart  
But can you stand up to beauty, dictator of the heart  
I can stand up for hope, faith, love  
But while I'm getting over certainty  
Stop helping God across the road,  
Like a little old lady

Out from under your beds  
Come on ye people  
Stand up for your love

Love love love love love...

I gotta stand up to ego bet my ego's not really the enemy  
It's like a small child crossing an eight lane highway  
On a voyage of discovery

Stand up to rock stars, Napoleon is in high heels  
Josephine, be careful of small men with big ideas

Out from under your beds  
Come on ye people  
Stand up for your love

Love love love love love...

God is love  
And love is evolution's very best day

Soul rocking people moving on  
Soul rocking people on and on  
Come on ye people  
We're made of stars  
Come on ye people  
Stand up then sit down for your love

Love love love love love...  
Love love love love love...
