

## The Three Sunrises

U2

Spirit of the rising sun lift me up  
Hold me there and never let me fall  
Love me till I die, my heart won't wait  
Soon I will be down in this love song

In this love, love song  
In this love. love song  
Hey hey, love won't find  
Find it's own way home

It's a love song, love  
Love, love song...

Sunshine, sunshine on me  
Sunshine, sunshine on me  
In this love, love song  
Hey hey, love won't find  
Find it's own way home

In this love song  
Love song, love song  
Sunshine, sunshine on me  
Bring it through to my home  
I will give you everything  
I will give you my desire  
Love song, love song
