

The Unforgettable Fire

U2

Dmi **B**
Ice, your only rivers run cold

Dmi **B**
These city lights, they shine in silver and gold

Dmi **B** **Dmi B F**
Dug from the night, your eyes as black as coal

C **Es**
Walk on by, walk on through, walk till you run

B **Dmi B**
And don't look back, for here, I am

Dmi **B** **Dmi**
Carnival, the wheels fly and the colors spin, through alcohol

B
Red wine that punctures the skin

Dmi **B** **F**
Face to face, in a dry and waterless place

C **Es** **B**
Walk on by, walk on thorough, so sad to besiege your love so head on

F **C**
Stay tonight, stay tonight in a lie

Es **B** **F**
I'm only asking but I think you know

C
Come on take me away

Gmi
Come on take me away

A **Dmi**
Come on take me home, home again

C **Es**
And if a mountain should crumble, or disappear into the sea

B **F**
Not a tear nor not I, stay in this time

C
Stay tonight, in a lie

Es **B**
Ever after, there's love in time

F **C**
And if you save it all, save your love

Gmi **A**
Don't push me too far, don't push me too far,

Dmi
tonight, tonight
