

Where The Streets Have No Name

U2

- D**
1. I wanna run I want to hide
- G**
I wanna tear down the walls that hold me inside
- Hmi** **A**
I wanna reach out and touch the flame
- Csus9**
Where the streets have no name.
2. I wanna feel, sunlight on my face
See that dust cloud disappear without a trace
I wanna take shelter from the poison rain
Where the streets have no name, ho
- D**
R: Where the streets have no name
Where the streets have no name
- G**
We're still building then burning down love,
burning down love
- Hmi**
And when I go there,
- A**
I go there with you
- D**
It's all I can do
3. The city's a flood, and our love turns to rust
We're beaten and blown by the wind, trampled in dust
I'll show you a place high on a desert plain, yeah
- Where the streets have no name

R: Where the streets have no name...

- D**
*: Our love turns to rust
- G**
We're beaten and blown by the wind
- D**
Blown by the wind. Oh and I see love,
see our love turn to rust
- G**
And we're beaten and blown by the wind, blown by the wind
- Hmi**
Oh when I go there
- A** **D**
I go there with you, it's all I can do
