

## Please Don't Make Me Cry

UB40

You say you're gonna to leave me, I'm beggin' you to stay  
But baby, I can't get through it anyway, no I can't  
And when I wake up in the mornin', you are gone  
Little pretty thing, you know I'll be all alone, you'll leave me  
e crying

Please don't make me cry  
'Cause I can't say good-bye  
Please don't make me cry  
Because I know there will be nothing left for me

All them good, good times we spent together  
You said it was me and no other, yeah  
And now you want to make me be pained inside  
Darlin', I know you are going to make me cry, you'll leave me c  
rying

Please don't make me cry  
'Cause I can't say good-bye  
Please don't make me cry  
Because I know there will be nothing left for me

All this pain I can't stand it, you're gonna leave  
You're gonna leave this poor man on his own  
Yes, you are

Please don't make me cry  
'Cause I can't say good-bye, show some sympathy  
Please don't make me cry  
Because I know there will be nothing left for me

All this pain, I can't stand it, you're gonna leave  
You're gonna leave this poor man on his own  
Yes, you are

Please don't make me cry  
Baby, I'm pleading
