

# Shipwreck

Ubiquitous Synergy Seeker

Shipwreck  
Useless as a lighthouse on the moon  
Deflect  
Avoidance holds the lighter to the spoon  
Call me  
When you need someone to listen to you  
Call me  
When you're flirting with the edge

But one step is closer than none  
One step is closer than none

I'm drowning in a sea of blame  
Heart beats the microscope  
Keeping me away  
La-la-la-la-la-la-la  
In a sea of blame  
Dead beats the undertow  
Pulling me away  
La-la-la-la-la-la-la

Detect  
A virus turning everything to numb  
Eject  
I'm done with burning bridges to the sun  
Calling  
I'm surrendering to something true  
Call in  
Cause I'm ready to ignite

But one step is closer than none  
One step is closer than none

I'm drowning in a sea of blame  
Heart beats the microscope  
Keeping me away  
La-la-la-la-la-la-la  
In a sea of blame  
Dead beats the undertow  
Pulling me away  
La-la-la-la-la-la-la

I can feel it coming  
I can feel it coming  
I can feel it coming  
I can feel  
I can feel it coming

A sea of blame  
Heart beats the microscope  
Keeping me away  
La-la-la-la-la-la-la  
In a sea of blame  
Dead beats the undertow  
Pulling me away  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la

La-la-la-la-la-la
