

We cum at the same time
You make it feel like the first time
Promise never tell a lie
You're not just another guy

You're my MVP and you got diamonds on your stereo
You're my ABC, baby, always seem to know it all
You're my BPM, yeah, you do it best at eighty-one
You're my skin to skin, baby, why don't you just take it off?

Ah, ah, ah, ah
Ah, ah, ah, ah
We cum at the same time
You make it feel like the first time
Promise never tell a lie
You're not just another guy

I'm in this never ending sky
I am yours and you're mine
And the feeling's only right
I think I found my favorite guy

You're my MVP and you got diamonds on your stereo
You're my ABC, baby, always seem to know it all
You're my BPM, yeah, you do it best at eighty-one
You're my skin to skin, baby, why don't you just take it off?

Ah, ah, ah, ah
Ah, ah, ah, ah

It's like my head is in the clouds
Two heartbeats become one
Yeah, I'm swimming through your eyes
You make it feel like the first time
We cum at the same time
You make it feel like the first time
Promise never tell a lie
You're not just another guy
I'm in this never ending sky
I am yours and you're mine
And the feelings only right
I think I found my favorite guy

You're my
