

## Break On Through (To the Other Side)

UFO

You know the day destroys the night  
Night divides the day  
Tried to run  
Tried to hide  
Break on through to the other side  
Break on through to the other side  
Break on through to the other side, yeah

We chased our pleasures here  
Dug our treasures there  
A-can you still recall  
Time we cried?  
Break on through to the other side  
Break on through to the other side

Hey!

Come on!  
Yeah

Everybody loves my baby  
Everybody loves my baby

She get high  
She get high  
She get high  
She get high, yeah

I found an island in your arms  
Country in your eyes  
Arms that chained us  
Eyes that lied  
Break on through to the other side  
Break on through to the other side  
Break on through, ow!  
Aw yeah!

Made the scene, week to week  
Day to day, hour to hour  
Gate is straight  
Deep and wide  
Break on through to the other side  
Break on through to the other side  
Break on through, break on through  
Break on through, break on through  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah  
Yeah
