## Let It Roll

Cold run speed highway was the place where we'd all go When our nerves were razor sharp, and we'd all let it roll Let it roll, let it roll, let it roll, let it roll Our machine's geared up, and we're really layin' it down, layin ' it out Let it go When these wheels get rollin', let them roll right over you 'Cause I'm well greased down, and I'll always win it through Let it roll, let it roll, let it roll, let it roll Machine's geared up, and we're really layin' it down, layin' it out Let it roll Cold run speed highway was the place where we'd all go When our nerves were razor sharp and we'd all let it roll Let it roll, let it roll, let it roll, let it roll Machine's geared up, and we're really layin' it down, layin' it out Let it roll
