

The Last Stone Rider

UFO

Call my brothers i will be there
Call my mother t offer off the pray
I hear the rack of shame
We ill be .. before the ..
Down in the .. the king I want for nothing nothing to
gave
She has the power of a mystical art
She has a crossed ... I am a last stone rider
And I will do this for the .. speaking
And my sleep this boos come down
She is the last man standing
Solid as a rock just as she is breathing ...
I have a power and ... I through my fingers in your curly
hear
.. come down I got my feet on the ground
Time to go on sum me up now hey hey
Farm me up
