Cocaine, cocaine
I'd like to introduce you all to
Cocaine, cocaine
UGK, UGK bitch, my man Bun B

Cocaine, cocaine
Pimp C in the house y'all put your hands together
Big Dick Cheney and Snowy Snow
Cocaine, cocaine, cocaine, cocaine

Uh, the bitch, been good to me
Been bad to my homies, keep it cool with me
I played it by the rules and the regulations
I use to switch cars with the Mexican at the gas station

Mine had money in it, his had the work
After the deal was done, I make my girl pussy squirt
'Cause after the deal, we would all celebrate
Happy 'cause it wasn't no jacking and the product was straight

I never came with the funny business
That's why we steady playing in Jags and Benzes
Some niggaz, let the city eat 'em up
I was just coming up, whipping my pyrex steady beating it up

I'm a shark with the fork, microwave or pot I'ma hit it with the Sprite and make that butter lock Everything was cool, I was ice cold Till I let that bitch get up in my nose

Cocaine, cocaine Cocaine, cocaine Cocaine, cocaine Cocaine, cocaine Cocaine, cocaine

They call it cocaine, cocaina, yayo
Coca leaves, whatever you wanna say bro
Cocaine is a hell of a drug, it ain't hum-drum
And we all know where it's at, but where it come from

The mountains of Columbia and Peru Extracted from the coca leaf, but see that shit ain't new It's been around for hundreds of years, exploited by the rich They even use to put it in Coca-Cola, ain't that a bitch

You had kings, queens, princes and princesses Even priests and popes fought to getting it in different instances A privileged possession for dozens of centuries Helped a few wars, legal and illegal industries

Grown by the cartels, protected by gorillas Transported by the best to the ghettos to straight killers The power of the powder pimping, you don't understand Ask W man, he's a dealer and a fan of cocaine

Cocaine, cocaine

Cocaine, cocaine Cocaine, cocaine Cocaine, cocaine Cocaine, cocaine

You chilling on the corner, looking cooler than a mo'fucker Got a pocket full of hot, it's hotter than a mo'fucker Living in that condition, my Phantom in the front yard We them real dope boys, I ain't gotta front dog

Big dope in the trunk, following my Map Quest Choppers in the White House, pistol on my lap, yes I remember, when I first met that wonderful girl Club Rolex, she fathered my mother a pearl

Spinning wild living foul, diamonds all in my dial Pimping style, but they yayo got me wearing linen now Getting paper, paper plates on convertibles And my yayo to PA, that work'll move

Ricky Ross only fuck with legends
Pimp C, Bun B got the hustle perfected
I could ship it to ya or you could come and get it
Just bring the cool million with ya when you come and visit Ross
