Well it's Big Bun B AKA your big daddy
Comin' down on the big body benz or the caddy
Smokin' on the patty, filled up with the good
Grippin' on the grain, drippin' stains in the hood
Leather and the wood, pretty lady and the chrome
Comin' down on the fo's, gettin' my shine on
So when you see me leanin' on the buck with the stitch
Hide yo' ho', cuz I probably finna fuck with your bitch
So when I'm in corner
With my playa-ass persona
Put my pimpin' game up on her
Guarantee that she's a gonner
Easy for you to get her but it's harder to keep
When that real pimpin' hit your boulevard on the creep

Now nigga you can beat, put dope in they lungs
But it don't even matter
I finna scatta' with ya hoes
Don't hate the playa, hate the game
You know how it goes
Now go on and keep it pimpin
And send me the bitch clothes

It's young Peezy got me leanin' in here like a G
Every time I come to PA
I hook up with B
And we smash up the A-Town for some bad b's
Purple trees, I believe I'mma get my cheat on
20 thousand dolla' mink
They thought I was Sweet Jones
Red bone, pretty thong
She done got me feelin' on
I'm really strong, clear as stones
Man a nigga really on

I got a bad yellow bitch
When she bust it back it's pink
Her pussy hair softer than the feathers on my mink
Fresh outta school, ball up in this
Young, and super fine
Told her how to rub my nuts when I fuck her from behind
I ain't lying, she a dime
And she be 'round all them bad hoes
She love when I rub my hands 'cross her ass ho'
Pretty brown, pretty face, pretty toes
She a stallion and she stay on all fours
Lookin' back
