Pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
Pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
Preg-pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
I got your fat pregnant bitch in my waterbed
And I'm 'bout to bust a nut on your little baby's head

I guess you can call me a family man
Cause I care for bitches' babies every chance that I can
I don't give 'em clothes, or diapers and shit
But I like to feed they babies with my big black dick
Cause I'ma tell you if you didn't know
You ain't did shit 'til you f*cked a pregnant ho
The p*ssy is hotter, it's got a extra kick
It feel like hot potato pie around your dick
Sometimes I swing high, sometimes I swing low
Sometimes I like to f*ck a pregnant bitch on my floor
Hit it kinda hard, and speed it up fast
f*ck her 'til she get the cherry blisters on her ass
Cause if she expecting, I can satisfy
And at the same time, give her kid a pacifier
And I love it when I bust that old nut
Cause I know that her baby's just gon' lick it all up

Pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
Pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
Preg-pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
I got your fat pregnant bitch in my waterbed
And I'm 'bout to bust a nut on your little baby's head

Ain't no p*ssy like one impregnated
A p*ssy made for nutting in, I could never hate it
A swoll p*ssy hole is the best on earth
And a big dick helps make an easy childbirth
I love the big titties but I hate the taste of milk
And a bigger, fatter ass on my dick is smooth as silk
Now if she got a boy, it ain't fun
But if she got a girl, then it's two pussies for the price of one
And if the belly's all stacked
I'll put the ho on all four and hit the p*ssy from the back
I'm f*cking all over the womb
Now I move your baby to the side so I can get a little room
I love to f*ck them pregnant hoes
Your baby's sneezing out nuts because I bust one in his nose
So when your little child is born
I bet the motherf*cker tell you pregnant p*ssy got it going on

Pregnant p*ssy is the best you can get
f*cking a bitch while her baby sucking dick
Pregnant p*ssy is the best you can get

Preg-pregnant p*ssy is the best you can get

f*cking a bitch while her baby sucking dick
I got your fat pregnant bitch in my waterbed
And I'm 'bout to bust a nut on your little baby's head

You see, f*ckin' pregnant p*ssy is simple
All you gotta do is hope the baby think your dickhead is a nipple
And if the cum snatcha stimulate my sack
He just might get a fat load of Similac
And if he start kicking, I'ma keep sticking
Go a little deeper, give his bad ass a whipping
Within nine months, I can hit it late or sooner
It's me, Miss Jones, and Mr. Jones Junior
And once I get the bitch in the raw
Me and her kid can have a nice ménage à trois
So believe I ain't kicking no bullshit
Cause pregnant p*ssy is the best you can get
