

Welcome To The Booty Tape

Ugly God

So what's your opinion on Ugly God, mom? A lot of people have wanted me to do that.

This two videos we just saw?

Yeah.

Oh, good luck to him, because whatever he made off that is not gonna be no.

What you mean?

He's not gonna make any more. That was terrible. I mean, I'm pretty open minded, so I like some of these people. I think they have a future. This guy, number one, he's not that attractive. Number two, he's not! I mean, he's just not that attractive! And then all he wants to say is about is dumb stuff, almost like... I don't know how to even say it, he's singing like pornographic stuff, and who just wants to see. I mean, I guess if he has an audience for it, good luck. I would never listen to that.

So it's a no? Final opinion on Ugly God?

Oh yeah, no, no, no, no, no, no, no, no. No, no, no. No, no, no. He's one of the worst you have shown me.
