

## Don't Go

Ugly Kid Joe

This time, this time I love you  
Last time, last time I hate you  
Next time, next time I need you  
Baby please dont go

Remember when I met you  
School dress on  
I never could forget you  
And baby now youre gone

Im goin around, around today  
Just tryin to find the truth  
It doesnt really matter anyway  
When Im livin without you

This time, this time I love you  
Last time, last time I hate you  
Next time, next time I need you  
Baby please dont go

I said come on little darlin  
Baby dont you see  
Id never do you harmin, no  
Its just you and me

Im in the corner right now  
Waiting for your love  
You better make your choice now  
Before a push comes to a shove  
Yeah things seem kinda different  
It aint the way it was  
Remember what your mama said  
The bond that lies is us

This time, this time I love you  
Last time, last time I hate you  
Next time, next time I need you  
Baby please dont go

Im by the phone, Im all alone  
Just waitin and a prayin that maybe youll call  
I gotta know right now, should I stay around, should I stay a while  
Should I stand here crying or baby should I fly - yeah!

Oh come on darlin, dont you se and dont you know,  
I gotta have your lovin, now now Ill never let you go  
Tryin to find that girl of mine  
Shes so far away  
And I am cryin - yeah
