Ugly Kid Joe

Loving the lover  
Yes, we're hating the hater  
Funny is the mirror of the man  
Killing the killer  
Are we saving your savior  
Funny but we don't understand

Huuu huuu huu huu

Judging the judger  
Yes, we're making the maker  
Funny is the mirror of the man  
Using the user  
Yes, we're takin the taker  
Funny but we don't have a plan

Nobody's watching  
'Cause there's nobody home today  
Nobody's waiting  
'Cause there's nobody prayin'  
When there's nothing to say
