

After The War

UK Subs

After the war when it's over
After the war we can have fun
After the war we'll be dancing
After the war when we've won

After the war we'll be celebrating
After the war we can get drunk
After the war we'll be together
After the war when we've won

After the war the children will be singing
After the war they'll be playing in the sun
After the war we can work together
After the war when we've won

After the war we'll be celebrating
After the war our songs will be sung
After the war we shall have a party
After the war when we've won

After the war there'll be no more fighting
After the war there'll be no more guns
After the war we'll have peace forever
After the war when we've won

After the war there'll be no machines
After the war when the fighting's done
After the war there'll be no red tape
After the war when we've won

After the war there'll be no more army
After the war [?]
After the war there'll be no [?]
After the war when we've won
