

Ambition

UK Subs

One thing I'm gonna do in this world
Gonna spend my money on a sweet, sweet girl
Got a one way ticket to paradise
And all you gotta do is treat me nice

I ain't got no, don't need ambition (2x)

Have no daddy, had a wasted youth
Cheat me and I'll jump on you
I'm riding with a devil called rock 'n' roll
Sweet sweet Mary, come on save my soul

I ain't got no, don't need ambition (2x)

One thing in this world that scares me to death
I don't wanna die in my bed
I wanna know what's going on
I wanna say bye-bye to everyone

I ain't got no, don't need ambition (4x)
