

Crash Course

UK Subs

Meet Mr. Media man

He's got the money, he's got a plan

Come on and get a crash course

We'll tell you everything we know

Come on and get a crash course

Go where you wanna go

Go to Hollywood, meet the stars

No gasoline in their cars

Come on and get a crash course

See your picture in a magazine

Come on and get a crash course

See your face on the TV screen

National network, World Service

World domination 'cos you deserve it

Come on and get a crash course

[repeat till end]
