It's swirling round my head  
Everything that you said  
Espousing mysticism  
And transcendentalism

What you gonna do when the truth kills your Guru (2x)  
Your Guru

He dresses like a sheik  
But lives in Heywardss Heath  
Selling you his saffron lies  
While sleeping with all your wives

What you gonna do when the truth kills your Guru (2x)  
Your Guru

He says your aura's too faded  
That science is just too jaded  
He wants a million for a shrine  
He says what's yours is mine... is mine

Collecting big fat checks  
From all you spiritual wrecks  
Saving wealthy souls  
While driving his paisley Rolls

What you gonna do when the truth kills your Guru (4x)  
Your Guru
