

## In the Red

UK Subs

Yesterday I had a sleeper and I had a little [?]  
I saw the lights in the tunnel and the [?] glare  
I had so much money, I could piss it up the wall  
But I did not realise how the mighty fall

Well, I'm tired of living in the red  
Yeah, I'm tired of living in the red

Now it's a different situation that I'm fighting today  
I ain't had no money since the company days  
I got the red round tax-man knocking on my door  
Said if you don't pay you'll be in trouble with the law

But I'm tired of living in the red  
Well, I'm tired of living in the red

When the day comes with a different situation  
Every day I try to find a different solution  
I get up early, stay out late  
[?] they coming

I get so depressing, don't know what I'm gonna do  
I got holes in my pants, I got holes in my shoes  
Every day I find I'm getting more misery  
Think I'll find a rope and a big hanging tree

I'm tired of living in the red  
Yeah, I'm tired of living in the red
