

# Radio Unfriendly

UK Subs

Turn on my radio  
I wanna hear some rock 'n' rock  
All I get is a sludge fest  
Girl and boy bands and the rest

Try another station  
Not doing so good  
I get the middle of the road  
I turn on the news

Radio unfriendly  
Playing the same thing over  
Radio unfriendly  
Collecting your payola  
(2x)

Hey kids, I've found  
A brand new station  
It's going out  
Across the nation  
Don't need no tuner  
Or other wires  
Don't need no radio  
It's called D.I.Y

Radio unfriendly  
Playing the same thing over  
Radio unfriendly  
Collecting your payola

Radio - unfriendly (4x)

I think it's just me  
Getting old and cranky  
It's all opium for the people  
I need something to believe in  
Before I stop breathing
