

Solutions

UK Subs

A political man will tell you he speaks the truth
Everybody knows he lies to you
Patriotism - what he sells
Mass murder is what you get

Are you the problem?
Are you the solution?

We tell the third world to save the tree
There'll be nothing left for you and me
But if the man in the first world who owns the land
He pays the poor man to cut the tree and be a richer man

Are you part of the problem?
Are you part of the solution?

Society works in spite of, not because of politicians
Put there to lead, but they drag their feet
All the way to Brussels they rob you blind
Criminals of the very worst kind

Are you the problem?
Or are you the solution?
Are you the problem?
Show me solutions

We see no evil, but it's all around
We don't hear the world falling down
We say nothing of the air polluting fast
Trade in technology for a social underclass

Are you the problem?
Are you the solution?
Are you the problem?
Are you part of the solution?

There must be some way to justify
Hypocrites
Social decline

Are you the problem?
Will you be the solution?
Are you the problem?
Are you the solution?
