

Tokyo Rose

UK Subs

Some say it was a match made in heaven
Some say made in hell
Before too long, old Jackie
Was hearing those old church bells

He drove a tractor, she drove a Cadillac
All he wanted to do
Climb Fuji, Tokyo tower
See the sights of the city too

I'll meet you in Shibuya
Said Tokyo Rose
I'll meet you at the statue of Hachikō
Tokyo Rose

Now some people wait all day
Some people wait all night
Waiting for the lover to come along
You know it just ain't right

I'll meet you in Shibuya
Said Tokyo Rose
I'll meet you at the statue of Hachikō
Tokyo Rose

Tokyo Rose!

What do you do in Tokyo?
Go out and meet the boys
Take in a few bars, have a little drink
You got too much choice

I'll meet you in Shibuya
Tokyo Rose
By the statue of Hachikō
