

# Dolphins

Ulrik Munther

I wanna travel the world  
And I wanna marry a girl  
There's so many places I haven't found  
And I wanna go there tonight

Cause what if there's no tomorrow  
What if the time we borrow  
Was about to run out?  
Where would you be, what would you do right now?

Yeah what if there's no tomorrow  
What if the road we follow  
Was about to run out?  
Where would you be, what would you do right now?

We, we could swim in the ocean  
And we, we could hang with the dolphins  
Down under the water, just you and I  
Oh we, we could go there tonight

Cause what if there's no tomorrow  
What if the time we borrow  
Was about to run out?  
Where would you be, what would you do right now?

Yeah what if there's no tomorrow  
What if the road we follow  
Was about to run out?  
Where would you be, what would you do right now?

Before it's to late  
(Before it's to late)  
I don't wanna wait no more  
(I don't wanna wait)  
So what do you say?  
(So what do you say?)  
Oh, hey hey hey

What if there's no tomorrow  
What if the time we borrow  
Was about to run out?  
Where would you be, what would you do right now?

Yeah what if there's no tomorrow  
What if the time we borrow  
Was about to run out?  
Where would you be, what would you do right now?

What if there's no tomorrow  
What if the road we follow  
Was about to run out?  
Where would you be, what would you do right now?  
Right now...
