

Jag älskar dig

Ulrik Munther

I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jeg elsker deg

Eight PM in the kitchen
You walk in, I'm doing dishes
You were late so I ate
Saved a plate, just microwave it
And I laugh when you say I'm like my dad
No, I'm not gonna fall into that trap
You make some tea and we drink it in bed
Then we watch a documentary about ants
Honestly, I don't know why but
Suddenly I see our future
You and me and our colony
Just beyond the horizon

You look into my eyes
Today is Valentine's
I put your hand in mine and say "That's right, you know"

I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jeg elsker deg
I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jag älskar dig

Boxes everywhere
New house, new town, same old chairs
That we've sat in, had our spats in
Leaned our backs in, dropped some snacks in
Honestly, I don't know how but
Suddenly we're 55 and
All our dreams and our fantasies
Came to be compromises

I walk out on the lawn
October winds are strong
Some autumn leaves they fall
But we're holding on

I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jeg elsker deg
I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jag älskar dig

I love you, Je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero

Jag älskar dig

I love you, Je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jag älskar dig

I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo, te quiero
Jag älskar dig

I love you, je t'aime
Ich liebe dich, ti voglio bene
Te amo (te amo), te quiero (te quiero)

I love you, Je t'aime
