

# This Right Here

Ulrik Munther

Another day, another night  
Falling by the wave-side  
Someone calls to ask me out  
And I think to myself  
Could I be anywhere  
Would I be anywhere, but here

Another train, another flight  
Seeking destination  
One more salesman in disguise  
Talk of liberation  
Could I be anyone  
Could I become somebody else

All the while I don't know how I'm feeling  
I just fake a smile and hope that you'll believe it

When you swear (Swear)  
Baby (Baby)  
This right here is all I want  
This right here is all I need (Need)  
Lately  
It doesn't matter who you are  
In the end you'll know it's all about

Another "hey, how are you, bye"  
Empty conversation  
Feeling bad but looking fine  
In a suit that's tailored  
Some champagne for the bride  
In a loveless marriage

Another game, another fight  
Everybody's aching  
People aiming for the sky  
While I'm masturbating  
Take my shame, take my pride  
Take all you can carry  
But you can leave [?]

'Cause honestly I'm tired of deceiving  
So I close my eyes and focus on my breathing

And you swear (Swear)  
Baby (Baby)  
This right here is all I want  
This right here is all I need (Need)  
Lately  
It doesn't matter who you are  
In the end you'll know it's all about

Me, me  
(All 'bout)  
Me  
(All 'bout)  
Me, me  
(All 'bout)

Me  
(All 'bout)

Read this and eat that  
Get rich and drive fast  
Bewitched and entranced  
I can see you when I look in your eyes  
Me this and me that  
Me wish that me had  
One fix and one chance  
Baby, won't you relax

And you swear (Swear)  
To me (To me)  
This right here is all I want (This right here)  
This right here is all I need  
To be  
It doesn't matter who you are  
In the end you'll know it's all about

Me, me  
(All 'bout)  
Me  
(All 'bout)  
Me, me  
(All 'bout)  
Me  
(All 'bout)  
Me, me  
(All 'bout)  
Me  
(All 'bout)  
Me, me  
(All 'bout)  
Me
