

Falling Apart

Ulrikke

All my life
I've been the glass hit by love's wrecking ball
It pushed me down
Beneath a never ending waterfall

Now I, I believe, I believe
It was all to get to you
Now I can breathe, I can breathe

When I'm falling apart
You go and make it whole again
Every piece of my heart
Baby you make it whole again

When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art
When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art

When I'm falling apart

We made it into something beautiful
Lit up my dark
And let me see a world so wonderful

Now I, I believe, I believe
It was all to get to you
Now I can breathe, I can breathe

When I'm falling apart
You go and make it whole again
Every piece of my heart
Baby you make it whole again

When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art
When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art

When I'm falling apart

We made it into something beautiful
Lit up my dark
You make it whole again

When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art
When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art

When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art
When I'm falling apar-a-a, a-ar, ar a-a, a-ar, art
