

The moment that I saw you for the first time
I knew we would age like a fine wine
I trusted you like a lifeline
Funny how you always keep me laughing
When I can't get up in the morning
We'll make it last for a lifetime

Yeah, we might grow old but
When all is said and done

Yeah, we'll stay young
Yeah, we'll stay young
So here's to the broken
Here's to the lonely ones
We will stay young
Yeah, we'll stay young
So here's to the memories
Holding the ones we love
Yeah, we'll stay young

I see it in your eyes when you're broken
Even when no words are spoken
I'll hold you close, keep you hoping

That's the thing about innocence
We fall and get up again
Yeah, we might grow old but
When all is said and done

Yeah, we'll stay young
Yeah, we'll stay young
So here's to the broken
Here's to the lonely ones
We will stay young
Yeah, we'll stay young
So here's to the memories
Holding the ones we love

That's the thing about innocence
We fall and get up again
Yeah, we might grow old but
We'll be forever young

Yeah, we'll stay young
So here's to the broken
Here's to the lonely ones
We will stay young
Yeah, we'll stay young
So here's to the memories
Holding the ones we love

Yeah, we'll stay young
Yeah, we'll stay young
So here's to the broken
Here's to the lonely ones
Yeah we'll stay young
