Ultra Naté

Fierce  
No doubt I'm fierce  
Fierce  
Non-disputedly, undeniably fierce  
Fierce, fierce, fierce

It's a new revolution love will conquer all  
Breaking down the walls anything goes  
What's wrong is right  
Just listen to your heart  
The music is a judgment-free zone  
I work hard for what I've got I work for it  
I work hard for what I've got I work for it  
So act like you know

Fierce  
No doubt I'm fierce  
Fierce  
Non-disputedly, undeniably fierce

Fierce  
Be legendary  
Fierce  
Be necessary  
Fierce  
Extraordinary  
Fierce, fierce, fierce  
Fierce  
Be legendary  
Fierce  
Be necessary  
Fierce  
Extraordinary  
Fierce, fierce, fierce

Walk for me, walk for me giving face giving face face  
Walk for me, walk for me giving face  
Walk for me, walk for me giving face giving face face  
Walk for me, walk for me giving face

No disguise  
No secrets left to hide  
Wearing it with pride genderless souls  
Open your eyes  
And take in the sights  
Religion has no rights god only knows

I work hard for what I've got I work for it  
I work hard for what I've got I work for it  
So act like you know

Fierce  
No doubt I'm fierce  
Fierce  
Non-disputedly, undeniably fierce

I'm legendary - I'm necessary  
Bring the shade to the dancefloor  
I'm legendary - I'm necessary  
10's across the board  
I'm legendary - I'm necessary  
Give me face, give me body  
I'm legendary - I'm necessary  
10's across the board

You and Anthony are foolish
