

Get It Up (The Feeling)

Ultra Naté

How many of you out there have noticed that lovers today
Seem to have their own agenda
Making all the rules fit their games
Everybody wanna hit and run
Don't want the feelings loving might bring
And you think that's the answer
Do you really believe that's all I need

You think you got it in your pocket and you're running the show
There's something going down
It shows how little you know
Yea, you know what I like
In the middle of the night
But, baby, can't you understand that I need more?

So, get it up (the feeling, feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling) yeah! (feeling, feeling)

When did everyone decide, that love was just a waste of their time
Want to get in close, but if it gets too sticky, then just rewind
But you can't erase all of the nasty things that you did last night
When you thought no one was watching, gave it all up without a fight

And you can't deny how good it felt to finally let it go
Sometimes the faster you run the quicker you get caught
Yea, you know what I like, in the middle of the night
But, baby, can't you understand that I need more?

So, get it up (the feeling, feeling, feeling)
(Baby, can't you understand)

Get it up (the feeling) yeah! (feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling, feeling, feeling)
(Know what I like in the middle of the night)

(You know, you know)
(You know, you know) Do you know what I like?
(You know, you know)
(Know what I like in the middle of the night)
In the middle of the night?

(You know, you know)
(You know, you know) Do you know what I like?
(Know what I like in the middle of the night)

Get it up (the feeling) yeah! (feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling, feeling, feeling)
Oh, get it up, get it up, get it up

Get it up (the feeling) yeah! (feeling, feeling)
Get it up (the feeling, feeling, feeling)
Get it up (the feeling) yeah! (feeling, feeling)
Get it up (the feeling, feeling, feeling)
Oh, and I want somebody

Feel it, feel it, feel it, feel it!
Feel it, feel it, feel it, feel it!

(Know what I like in the middle of the night)

...
