

# It's Over Now

Ultra Naté

Ooh, ooh, ooh ooh  
I can't look back on memories  
Seems your love's just not for me  
I've thought you were the one for me  
You were the one my eyes could see

And now I'm, I'm gonna change my hair  
The clothes I wear  
The life I live, and the love I give

It's over, it's over now  
No more me and you  
I think we're through  
It's over, it's over now  
No more me and you  
I think we're through

And I'll do anything to get over you  
Cried all night just to make it through  
You really hurt me, can't you see?  
Now I just want, wanna be free

And now I'm, I'm gonna change my hair  
The clothes I wear  
The life I live, and the love I give

Gonna change my hair, the clothes I wear  
The life I live, and the love I give

It's over, it's over now  
No more me and you  
I think we're through  
It's over, it's over now  
No more me and you  
I think we're through

I'll do anything to get over you  
Cried all night just to make it through  
You really hurt me, can't you see?  
Now I just want, I wanna be free

Gonna change my hair, the clothes I wear  
The life I live, and the love I give

It's over, it's over now  
No more me and you  
I think we're through

Gonna change my walk, and the way I talk  
Got brand-new shoes and attitude

It's over, it's over now  
No more me and you  
I think we're through

Gonna change my walk, and the way I talk  
Got brand-new shoes and attitude

It's over, over now  
No more me and you  
I think we're through

Me and you, I think we're through  
Me and you, I think we're through  
Me and you, I think we're through
