

Party Girl (Gonna Do)

Ultra Naté

You know sometimes I get this feeling
Deep down inside
And it says girl
Girl!
Come on home

I was the one they said would never succeed
Or then the least likely to achieve
And not good at nothing
But I'm good for something
I can party with the best until the morning comes
The bells will ring there's not a clock AM
I'm late again but who really gives a damn
It's not necessary
Just temporary
Midnight strikes
You know I'm gonna do it all again

Cause I'm a party girl
You know what I'm gonna do
You know what I'm gonna do
Cause I'm a party girl
You know what I'm gonna do
I'm gonna live my life
You know what I'm gonna do
You know what I'm gonna do

Cause I'm a party girl
Cause I'm a party girl
Cause I'm a party party
Cause I'm a party girl
Cause I'm a party girl
You know what I'm gonna do
You know what I'm gonna do

I was the one they said would never succeed
Or then the least likely to achieve
And not good at nothing
But I'm good for something
I can party with the best until the morning comes
The bells will ring there's not a clock A.M
I'm late again but who really gives a damn
It's not necessary
Just temporary
Midnight strikes
You know I'm gonna do it all again

Cause I'm a party girl
You know what I'm gonna do
You know what I'm gonna do
Cause I'm a party girl
You know what I'm gonna do
I'm gonna live my life
You know what I'm gonna do
You know what I'm gonna do
Cause I'm a party girl
Cause I'm a party girl

You know what I'm gonna do
You know what I'm gonna do
