

RESTLESS

Ultra Naté

I'm restless
Let me take you out of here
I'm restless
Just want to get next to your body

I'm restless
Let's do the things we learned to do
I'm restless
I need this thing, I'm counting on you

When you're talking to me, baby
Just look me in the eye
I ain't afraid, no
I'm feeling your high

We gon' take this ride
Gonna do what it do
We gon' let it fly
We don't have no rules

I'm restless
Put your body next to me
I'm restless
Come on, take me to that fantasy

Put your hands together right now
Touch me where you know it counts
Tomorrow it could all be over
So what you wanna do right now?

When I'm restless
Countin' on you
See, boy, I'm restless
Locked in with you on this groove

You say you're counting on me
You're counting on me
You're waiting on me
You're thinking 'bout me
Thinking 'bout me

You say you're counting on me
You're counting on me
You're waiting on me
You're thinking 'bout me
Thinking 'bout me

I've got this vision in my mind
Somehow it includes you
I'm hoping that you get it right
'Cause we got nothing to prove
But I'm restless
Hope you feel it too

You say you're counting on me
You're counting on me
You're waiting on me

You're thinking 'bout me

You say you're counting on me

You're counting on me

You're waiting on me

You're thinking 'bout me

You're waiting on me

You're waiting on me

You're waiting on me

Waiting (waiting on me)

I'm restless, I'm restless

I'm restless, I'm restless

Yeah, yeah, yeah, yeah, yeah

Oh-oh, oh-oh
