

Unconditional

Ultra Naté

You came to me like a shooting star
You know I wasn't even looking
But you were there from the very start
Who was I ever fooling
I've got nothing to prove
We've got nothing to hide
I've got nothing to lose
If I've got you by my side
Won't you give me your hand
And I'll give you my trust
Cause this is what I want for us

Unconditional
Yes, that's what it is
Nothing can stop it now
This love is unbelievable
Are you ready for it
Cause you don't ever need to doubt

It's unconditional
Oh, oh, yeah
That's what it is
Oh, oh, yeah
That's what it is
Unconditional
Oh, oh, yeah
That's what it is
Nothing can stop it now

Some people wait their entire life
To get to what we're feeling, yeah
Now as I'm looking into your eyes
I understand the meaning

You can tell me to stop
You can push me to quit
But I wouldn't give up
No, I wouldn't do it
Cause I'm making my choice
And I'm taking the chance
Boy, I hope you understand

Unconditional
Yes, that's what it is
Nothing can stop it now
This love is unbelievable
Are you ready for it
Cause you don't ever need to doubt

It's unconditional
No, we're not giving up
Cause we're gonna see it through
This love is unconditional
And when the growing gets tough
Promise me that you will choose

No matter the pain, babe

I'm never gonna quit
Never again, hey
I know that this is it
I wanna love you
Unconditional
Cause right there we got it all

Unconditional
Yes, that's what it is
Nothing can stop it now
This love is unbelievable
Are you ready for it
Cause you don't ever need to doubt

Unconditional
No, we're not giving up
Cause we're gonna see it through
This love is unconditional
And when the growing gets tough
Promise me that you will choose
