

Don't Wanna Let Go

Ultrabeat

Everytime I'm thinking of you

Don't wanna let go

Don't wanna let go

Everytime I'm thinking of you

I wonder why I don't know what to do

Don't wanna let go

Tell me you will, I know

Don't wanna let go

Everytime I'm thinking of you

I wonder why I don't know what to do

Don't wanna let go

Tell me you will, I know

Don't wanna let go

Don't wanna let go

Don't wanna let go

Everytime I'm thinking of you

I wonder why I don't know what to do

Don't wanna let go

Tell me you will, I know

Don't wanna let go

I would walk a thousand miles

I will found a way to please you

I would tell the whole world why I love you so

And I hope you're falling for me

Everytime I'm thinking of you

I wonder why I don't know what to do

Don't wanna let go

Tell me you will, I know

Don't wanna let go

Everytime I'm thinking of you

I wonder why I don't know what to do

Don't wanna let go

Tell me you will, I know

Don't wanna let go

Don't wanna, don't wanna

Don't wanna, don't wanna

Don't wanna, don't wanna

Don't wanna let go

Don't wanna, don't wanna

Don't wanna, don't wanna

Don't wanna, don't wanna

Don't wanna let go

Don't wanna let go

Don't wanna let go
