

Right Here, Right Now

Ultrabeat

I sense that there is something,
(I sense that there is something)
something you wanna tell me,
(something you wanna tell me)
I wanna know the answer
(I wanna know the answer)
I need to find a reason

Right here, right now
Tell me all i need to know,
Tell me what there is to show,
Tell me how and i will go
Right here, right now
Tell me all i need to bare,
Tell me what i need to share,
Tell me how and I'll be there
(I'll be there)
(I'll be there)
(I'll be there)

Right here, right now
Tell me all i need to know,
Tell me what there is to show,
Tell me how and i will go
Right here, right now
Tell me all i need to bare,
Tell me what i need to share,
Tell me how and I'll be there
(I'll be there)
(I'll be there)
(I'll be there)

I sense that there is something,
