

# Waiting

Ultrabeat

So alone i have been looking too hard  
I have been working too long  
Sometimes i don't know what i will find  
I only know it's a matter of time when you love someone  
When you love someone  
Feels so right  
I need to know if you feel it too  
Baby won't you tell me if i go alone too strong  
The story of mine is been here before  
This time i wanna be sure

## Chorus

I will be waiting  
For a girl like you to ome into my life  
I will be waiting  
For a girl like you love that will survive  
I will be waiting  
For someone new who's making me feel alive  
I will be waiting  
For a girl like you to ome into my life  
To my life to my life to my life

So good we make love it's understood  
It's all that i touch all that i say  
If only things could be this way  
When you love someone  
I don't .. from the moment awake until deep in the night  
There is nowhere else i rather be  
Holding you ..

## Chorus

I will be waiting  
For a girl like you to ome into my life  
I will be waiting  
For a girl like you love that will survive  
I will be waiting  
For someone new who's making me feel alive  
I will be waiting  
For a girl like you to ome into my life  
To my life to my life to my life
