Falling apart
I'm sickening
I'm sickening

Losing my heart
I'm sickening
I'm sickening

Retract
Trying to forget
Trying to protect
5, 5, 5, 5

Crawling this far
I'm sickening
I'm sickening

Soiled and scarred
I'm sickening
I'm sickening

Retract
Lying to subject
Dying to collect
5, 5, 5, 5

I'm coming apart, apart
I'm coming apart, apart
I'm coming apart, apart
I'm coming apart

Finally

Maybe this time
I'll forget about you
Maybe this time
I'll forget about you

I've tried
But you keep coming back
I've tried
But you keep coming back

Retract, retract
5, 5, 5, 5

I'm coming apart, apart
I'm coming apart, apart
I'm coming apart, apart
I'm coming apart, apart
