

# Got That Feeling

Ultraviolet Sound

Last night I read all of your "sorry-love-letters"  
From back in the day when I thought this was forever  
But lately something's been on my mind when we get together

The taste of your lips  
The touch of your hands  
The sway of your hips  
Is different than I remember  
How can you call  
You're so formal

If you wanna stay with me  
Then only in your fantasy

Uhh I got that feeling  
Yeah I know that feeling  
Uhh I'd like to know if it's true  
Uhh I got that feeling  
Yeah that dirty feeling  
The only one you're fooling is you

I feel like screaming murder when I see your phone ringin'  
I'm asking who is calling, whatcha do and why you're leavin'  
You always got some kind of smooth talking explanation  
And then you leave me all alone with my ?

Can't even try  
To tell me the truth  
The look in your eyes  
Is empty and cold  
Oh baby, I can't believe  
That I ever loved you

If you wanna stay with me  
Then only in your fantasy

Uhh I got that feeling  
Yeah I know that feeling  
Uhh I'd like to know if it's true  
Uhh I got that feeling  
Yeah that dirty feeling  
The only one you're fooling is you

Uhhh  
Uhhh  
Uhhh

I know it is true when you walk in the room  
Red lipstick on, your perfume

If you wanna stay with me  
Then only in your fantasy

Uhh I got that feeling  
Yeah that dirty feeling  
Uhh I got that feeling  
The only one you're fooling is you

Uhh I got that feeling  
Yeah I know that feeling  
Uhh I'd like to know if it's true  
Uhh I got that feeling  
Yeah that dirty feeling  
The only one you're fooling is you

Uhhh  
Uhhh  
Uhhh  
Uhhh
