

## Apocalypse 1993

Ulver

A goat's on the scene  
With a song of fallen tears  
The story's unfolding  
Ezekiel, Chapter 9  
The word of King David  
Shall bring you paradise  
Just don't leave the mountain  
For all will be revealed  
The brides of the Lamb  
The secrets of the Seven Seals

Who is this man they follow  
Into the eternal?  
Killing old and young  
Leave the family alone  
Twenty-three holy children...

"I'm sorry some of you guys got shot  
But, uh, hey - God will have to sort that out, won't he?"

They're outside in the garden  
Playing with guns  
The kingdom of the fall  
Coming soon at the crack of doom  
The first and the last  
Light of the world  
Shines for those who  
Remain in the house  
Dying for what they believe  
Dying for you and me

Who is this man they follow  
Into the eternal?  
Killing old and young  
Leave the family alone  
Twenty-three holy children...
