

## Ghost Entry

Ulver

Wolves wrote this  
Recorded this  
And today is  
Monday, June 21

The days are numbered  
And so are words  
We repeat  
The same old words

Listen back to my voice  
A distant ghost  
Moving objects  
The music they make

The days are numbered  
And so are words  
We repeat  
The same old words

Listen back to my voice  
A distant ghost  
Moving objects  
The music they make

The music they make...
