

The Red Light

Ulver

The world is burning
Animals are turning
Man is wolf to man
Do you understand?

The new world order
Reaching the border
Swords of iron war
Blood on the door

Swords of iron war
Blood on the door
Staving to the sun
The barrel of a gun

Barrel of a gun
Barrel of a gun
Barrel of a gun
Barrel of a gun

Give the current drive
Just drive to stay alive
Just drive to stay alive

Swords of war
Blood on the door
Swords of war
Blood on the door
Swords of war
Blood on the door

A message on the radio
Written a hundred years ago
Journey to the end of the night
Stop
By the red light
By the red light
