

Frequently

UMI

I know that I'm not perfect
And sometimes I'm unimportant
But you think that I'm still worth it
You treat me, like I'm still worth it
So I

Think about you
Think about you frequently
Think about you
Think about you frequently
And I don't wanna
I don't wanna ruin things
With everything I know that I can be

Cause sometimes I think too much
And sometimes I say too much
And sometimes I don't say much at all

And I fear a lot of things
I know that I can be
Hard to love
But you still love me

I Think about you
Think about you frequently
Think about you
Think about you frequently
And I don't wanna
I don't wanna ruin things
With everything I know that I can be

I can be a lot I know
Overly emotional
I've got problems of my own
But I don't want to be alone
