

Friendzone

UMI

Damn, purp...

I, hope you got the sign
Tryna make this right
Boy, you're just a friend to me, a friend to me
Hey, it's me it's not you
You're great but friends are too
I love you like a brother, yeah
A brother, yeah

Listen to me
I'm gonna tell you why this ain't gonna be
You're crossing lines that you know you shouldn't be
And I'm just tryna make this right
Tryna make this-

Stay up in your friend zone
(Stay up in your friend zone)
Keep you in that friend zone
(Keep you in that friend zone)
Stay up in your friend zone
(Stay up in your friend zone)
Keep you in that friend zone
Keep you in that friend zone, yeah

I, like another guy
Can't like you on my side
Can we just stay friends for me, stay friends for me
Hey, never led you on
Your memory is wrong
Said you were my brother, yeah
My brother, yeah

Listen to me
I'm gonna tell you how this ain't gonna be
You're crossing lines that you know you shouldn't be
And I'm just tryna make this right
Tryna make this-

Stay up in your friend zone
(Stay up in your friend zone)
Keep you in that friend zone
(Keep you in that friend zone)
Stay up in your friend zone
(Stay up in your friend zone)
Keep you in that friend zone
(Keep you in that friend zone)

Stay up in your friend zone
(Stay up in your friend zone)
Keep you in that friend zone
(Keep you in that friend zone)
Stay up in your friend zone
(Stay up in your friend zone)
Keep you in that friend zone
(Keep you in that friend zone, yeah)
