

Happy Again

UMI

I, I wanna be happy again
I wanna fly
I wanna live, I wanna breathe
I wanna smile again, oh
I wanna run, I wanna learn
Wanna grow old with you, oh
I wanna see, I wanna see you happy

Oh, oh oh oh ooh, ooh
Oh, oh oh oh ooh

Every time I wanna cry
I see the light inside of you
Every night I hurt inside
But somehow I will make it through cause
I'm gonna be happy again
Oh, oh
I'm gonna be happy again oh

I wanna be (I wanna be)
Happy again (happy again)
I wanna fly (I wanna fly)

I wanna live, I wanna breathe
I wanna smile again oh
I wanna run, I wanna learn
Wanna grow old with you, oh

I wanna see, I wanna see me happy
