Introspection

UMI

Ooh-ooh, ooh
Ooh-ooh, ooh, ooh
Ooh-ooh, ooh
Ooh, ooh, ooh, ooh

Pretty girl, pity hurts
Know you walk across a fine line, and
Your pretty curls hide your pretty pearls
No, I'm thinking like

Why I'm so afraid to fight back
I got a lot of shit to unpack
I never write back
I take it's my bad
I shouldn't take it in
I try to go within myself

Wish the thoughts would go away
(My god, my mind be)
Floatin' farther away
(I go far to see)
All the truth I couldn't face
(I thought I knew it)
Told myself I couldn't face, I
I wouldn't face
You

It's all in my mind, it's only emotion
Just look for a sign and swim into ocean
See what you find, could never define
Allow the divine (Allow the divine)
To alter your courses, yeah, ayy

Why I'm so afraid to fight back
I got a lot of shit to unpack
I never write back
I take it's my bad
I shouldn't take it in
I try to go within myself

Wish the thoughts would go away
(My god, my mind be)
Floatin' farther away
(I go far to see)
All the truth I couldn't face
(I thought I knew it)
Told myself I couldn't face, I
I wouldn't face
Wish the thoughts would go away
(My god, my mind be)
Floatin' farther away
(I go far to see)
All the truth I couldn't face
(I thought I knew it)
Told myself I couldn't face, I
I wouldn't face
You

Oh, oh
Oh, oh
Oh, oh-oh-oh
Oh, oh, oh
