

Time doesn't matter in our place
Mind over matter, we know this
Can't help but get a little taste
Boy, you got me wanting you to wait
I'm so sick, oh, what a waste
I wanna go, wanna know, wanna flow, wanna roll with you, yeah
Omnipresent, your love for me
I brought something we could roll if your momma ain't home and
you free, yeah

'Cause you, ooh, ooh
Ain't too, ooh
Complete, nah (Yeah)

Learned my little lessons, made my peace
No use to be stressing little me (Little me, little))
Count my blessings busting out the seams (Oh, oh)
My baby she beckon when I sing (When I sing, when I sing)
I got my shoe scuffed (Scuffed)
What a waste (Yeah)
Water seeping through the hole
Rainin' with you going home on the way
I take a breather
Take a break (Yeah)
You need somethin' you could hold on your own, you just don't f
eel safe, yeah

'Cause you, ooh, ooh (Ooh-ooh, ooh-ooh)
And me, yeah (Yeah-hey, yeah-hey)
Ain't too (Oh-oh, oh-oh, oh-oh, oh) complete now (Now)
'Cause you, ooh, ooh (Oh-oh, oh-oh, oh-oh, oh)
And me now (Now, now)
Ain't too (Oh-oh, oh-oh, oh-oh, oh) complete now (Now)

Oh-oh, oh-oh, oh-oh, oh, now
Oh-oh, oh-oh, oh-oh, oh, now
Lala, lala, lala, lala, lala, lala
Lala, lala, lala, lala, lala, lala
Mm-mm, mm-hmm, mm, mm, mm, mm
